Big Improvement

John C. Everett & Co., one of the leading and most enterprising firms in the city, contracted with Harding & Simons Saturday for the erection of a three-story brick and metal warehouse, adjoining their present place of business, on the Gunn property site in East Second street, at a cost of \$15,000. When completed it will add much to the general appearance of the immediate vicinity. If we had a few more progressive firms such as Everett & Co., the town would progress a little, every day some.

ANNOYED BY SLEEPERS

Rev. R. H. Crossfield Shies Hymn Books at Snoring Brother

A special from Los Angeles says Dr. R. H. Crossfield, President of Transylvania University of Kentucky, was greatly annoyed during the sermon Thursday night at the First Christian Church in that city by two of the brethren who had fallen asleep.

One of the transgressors was aroused by the Doctor's sarcastic remarks about "pillars and sleepers of the Church." The other, however, began to snore.

The Kentucky Parson could stand it no longer. Keeping right on with the sermon, he shied a hymn book at the unconscious sleeper. One book followed another until the audience was in a perfect titter; but the sleeper simply opened his eyes for a moment, and shifting his position from full face to profile, slept right on until the benediction.

Gala Day Crowd

A stranger arriving in town Saturday could not have helped being impressed with the throng of people to be seen on the streets, and would have naturally concluded that Maysville is a live, bustling, bustling city, full of vim and business-vigor. The rain of the previous several days prevented labor on the farm, which conducted to the sturdy sons of toil flocking to the city for a half holiday, and they were here in numbers for a certainty, and, together with our own population, principally female, decked out in all kinds of pretty spring toggery, the scene was kaleidoscopic and interesting. For President in 1912,
WILLIAM HOWARD TAFT
of Ohio.

For Governor of Kentucky in 1911,
Lieutenant Governor WILLIAM H. COX
of Mayaville.

It is a striking fact that with the County Unit Bill so prominently before the State only one candidate for high office has defined his position. In his enunciation of principles Judge O'REAR makes his position plain. He favors the County Unit Bill. If he is nominated for Governor by the Republican party his party will insert a plank pledging itself to the passage of the law, and that pledge will be fulfilled if Judge O'REAR is elected.

All other candidates are silent as the grave upon this issue. In their manifestoes, both Mr. Cox and Mr. FRANKS, the other Republican candidates for Governor, ignore this question altogether. This may, we think, be accepted as proof positive that they are opposed to the County Unit Bill, but we believe that their position would be stronger if they would state their opposition.—Louisville Post.

It has become a saying in Kentucky that lucky is the candidate who is opposed by The Louisville Post. But, be that as it may, The Louisville Post and its

forceful Editor, the Hon. RICHARD KNOTT, have the chronic habit of the entire Buttinsky family and assume the virtue of dictating the political and domestic morals of not only Louisville and Jefferson county, but the entire wide, wide world.

That the politics of The Post and its able Editor are of the adjustable brand, that wiggle in and wiggle out, is long ago a settled proposition. The Post has championed every cause from GEORGE WASHINGTON to HERR MOST and the WHALLENS, and has likewise opposed everything, even the WHALLENS and all Democratic and Republican principles, including the firm and progressive TAFT policies. To read The Post one would infer that all the virtue and intelligence of the human family was centered in its editorial columns.

Of course The Post has a right to support whom it pleases, and it pleases to come out blatantly to force O'REAR on the Republican party. "If" it fixes the Republican nominee The Post will then also arrange the Democratic slate. It is so easy, you know. The Post is thrusting the County Unit Bill to the front and states that Judge O'REAR comes out clearly for the Unit Bill, while Governor Cox and E. T. FRANKS ignore the question altogether.

Governor Cox ignores no public question, but simply points to his record in the Senate at Frankfort and to all his acts while in the Executive Chair to repudiate the aspersion that he is unfriendly to the temperance cause and to law and order.

Can Judge O'REAR say as much? No man has ever used stronger language to

tear down the fabric of law and order in Kentucky than this eminent Jurist. THE PUBLIC LEDGER hasn't the honor of O'REAR's acquaintance, and never even saw him, yet we've read with indignation and just horror of his violent and incendiary words during the blighting night rider tobacco war days.

Think of such a man in the Governor's Chair!

Better a thousand times Governor Cox, E. T. FRANKS or McCREARY than such as he.

Governor Cox has been tried at Frankfort and has served as Governor of Kentucky long enough during the absence of Governor WILLSON to demonstrate to any citizen of the State that he is safe and sane on all public policies. Never violent, never rough or unreasonable, he is open to audience at all times and to all men. As an honest, open, fearless and democratic citizen W. H. Cox is a Kentuckian of whom every Kentuckian should be proud, and should he win or lose in the race for Governor he will have the satisfaction of knowing that he never endeavored to inflame the public mind by the incendiary utterances of the political demagogues who choose critical times to ride into office under the garb of false patriotism.

Let The Louisville Post howl, let the heathen rage, but no man will be fooled by such blatant dictation, and the sober, unpurchasable and patriotic lovers of law, order and popular government can be depended on to give Kentucky a Governor not swayed by a red flag.

The O'Rear tide has ebbed to the vast sea of nothingness from whence it came, and the public can now realize what a grievous mistake, to put it mildly, the nomination of the Judge would prove. THE PUBLIC LEDGER hesitates to say one unkind word against Judge O'REAR. The Judge's own utterances during the tobacco war and on other occasions are enough to disqualify him from filling the Executive Chair of Kentucky. Every lover of law and order, every citizen who hates murderous partisanship, and every Kentuckian who reveres the sacred traditions of our history should rise up horrified and protest against Judge E. C. O'REAR's candidacy for Governor.

If O'REAR is named by the Republicans McCREARY will sweep the State by 25,000 votes. Governor Willson too truly said that O'Rear's election would be a calamity to Kentucky.

Governor Cox wishes to repudiate the news item crediting him with being an active supporter of Hon. JOHN J. CRAIG for Railroad Commissioner. He feels kindly toward Mr. CRAIG, but he is for any Ninth District man first, as he believes in helping his home friends first. Mr. Cox is not taking an active part in the race for Commissioner for obvious reasons, the principal one being that he is himself a candidate for Governor, and therefore he does not care to commit himself to any one further than to announce that he is for a Ninth District man. Governor Cox's friends do not wish to see him dragged into any fight save his own, and no man who has any sense of honor or fairness will further agitate the statement that Governor Cox is for this man or against that man for any political office.

WOMEN MAY AVOID OPERATIONS

By taking Lydia E. Pinkham's Vegetable Compound

The following letter from Mrs. Orville Rock will prove how unwise it is for women to submit to the dangers of a surgical operation when it may be avoided by taking Lydia E. Pinkham's Vegetable Compound. She was four weeks in the hospital and came home suffering worse than before.

Here is her own statement.

Paw Paw, Mich.—"Two years ago I suffered very severely with a displacement. I could not be on my feet for a long time. My physician treated me for seven months without much relief and at last sent me to Ann Arbor for an operation. I was there four weeks and came home suffering worse than before. My mother advised me to try Lydia E. Pinkham's Vegetable Compound, and I did. Today I am well and strong and do all my own housework. I owe my health to Lydia E. Pinkham's Vegetable Compound and advise my friends who are afflicted with any female complaint to try it."—Mrs. ORVILLE ROCK, R. R. No. 5, Paw Paw, Michigan.

If you are ill do not drag along until an operation is necessary, but at once take Lydia E. Pinkham's Vegetable Compound. For thirty years it has been the standard remedy for women's ills, and has positively restored the health of thousands of women. Why don't you try it?

EASTER SERVICES

Yesterday Largely Attended and Spirituality Was Manifested on Every Hand

Yesterday was a "glorious Easter morn," bright, bracing and refulgent with golden sun shine. All humanity and all nature was resonant and seemed inspired with renewed life activity and spiritual hope. The religious and vocal services were very beautiful and fully in touch with the sacred occasion. All the Churches resounded with prayerful and praiseful song, commemorating the "Risen Christ" and the glories of God's promises were reflected at each service.

All the Churches of Maysville fittingly celebrated Easter services with sermons, anthems and a profusion of flowers and palms. How uplifting are these sacred occasions and how weak the human heart without this solace.

A special feature at the service at the First M. E. Church, South, was a solo by Mrs. Lucy Keith.

There were seven persons baptized and nine received into full membership at the Third Street M. E. Church yesterday.

The Easter services were well attended and altogether it was a good day in this Church.

CITY MISSIONS

One of Maysville's Praiseworthy Institutions—Easter Outing of Happy Children

If there is one object in this city above another that is deserving of assistance and commendation, it is the City Missions located in Sutton street. It is a beacon light to the poor and sorely oppressed to enter in, where a cordial welcome awaits them. It is undenominational in character and its doors are open to all, irrespective of religious creed.

It is ably managed by a Board of Directors, with Mrs. W. W. Brock as City Missionary, and its influence for good is not, perhaps, generally known and properly appreciated by the community at large. In a manner, it is an annex to the various Churches and all share in the glory of souls saved by its work and influence.

As has been the custom for several years the Mission gave an Easter outing Saturday in Beechwood Park, and about eighty children and a few adults, whose ages ranged from three to seventy-five years, enjoyed the occasion. With Mrs. Brock in charge the merry and happy gathering boarded streetcars at Sutton street and were transported to the grounds, where they repaired to the auditorium and listened to a splendid talk delivered by Rev. Overley of the Third Street M. E. Church. After a few songs and an icecream treat, the children scattered over the spacious grounds on an egg and rabbit hunt, where a plentiful supply of each had been hidden in various parts of the Park. After having had a royal good time they were brought back to the starting point, where they dispersed to their various homes, tired but happy.

The Doctor's Question
Much Sickness Due to Bowel Disorders

A doctor's first question when consulted by a patient is, "Are your bowels regular?" He knows that 98% of illness is attended with inactive bowels and torpid liver, and that this condition must be removed gently and thoroughly before health can be restored.

Rehall Orderlies are a positive, pleasant and safe remedy for constipation and bowel disorders in general. I am so certain of their great curative value that I promise to return the purchaser's money in every case where they fail to produce entire satisfaction.

Rehall Orderlies are eaten like candy, they act quietly, and have a soothing, strengthening, healing influence on the entire intestinal tract. They do not purge, gripe, cause nausea, flatulence, excessive looseness, diarrhoea or other annoying effect. They are especially good for children, weak persons or old folks. Two sizes, 25c and 10c. Sold only at my store—The Rehall Store. Thos. J. Chenoweth, Second and Sutton streets.

KEEP THE KIDNEYS WELL

HEALTH IS WORTH SAVING, AND SOME MAYSVILLE PEOPLE KNOW HOW TO SAVE IT

Many Maysville people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger when most all diseases and aches and pains due to weak kidneys can be quickly relieved by the use of Doan's Kidney Pills. The following statement leaves no ground for doubt:

John O'Neill, Front street, Augusta, Ky., says:

"I willingly give my name as an endorser of Doan's Kidney Pills as I believe there is no other kidney remedy on the market today equal to them. They have been used on numerous occasions by myself and other members of the family and have never failed to bring the desired results. I am sometimes exposed to the weather and this served to weaken my kidneys, as ever cold I contracted caused backache. Doan's Kidney Pills quickly rid me of the annoyance."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
Remember the name—Doan's—and take no other.

It matters not to me whether they buy spectacles or eye glasses, we carry both, and they are for sale and we sell them. They give satisfaction. The best evidence that they are satisfied, they come back when they need them. Our prices are low, our quality is good and we guarantee them.

AUGUSTA WOMAN

Killed Friday Night by C. and O. Freight Train—People Aroused

AUGUSTA, Ky., April 15th—While crossing Upper street last night, Mrs. John Buerger, aged forty-nine years, was struck by an East-bound "double-header" freight train and died without regaining consciousness.

Mrs. Buerger was the wife of John Buerger, a stove dealer, and is survived by five children: John, Jr., and Robert of Cincinnati; Mrs. James Kinney of Brookville; Mrs. William Reynolds of Batham and Mrs. Emil Margraff of Augusta. During the past few years there have been a great many fatal accidents in Augusta and at this same crossing. About a year ago John M. Jones, an Augusta liverman, was instantly killed at this point.

After last night's accident the City Council drafted an ordinance compelling the C. and O. Railroad to put in safety gates at the various crossings within the next sixty days, declaring the railroad was criminally negligent in not having the crossings properly guarded.

20% UNDERFEED INVESTMENT

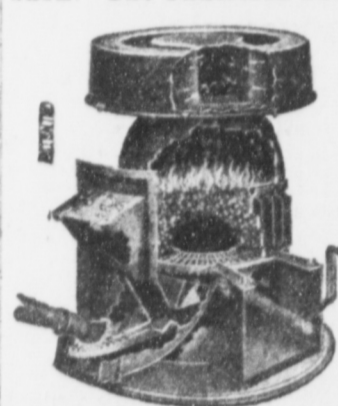

Most heating systems are an actual drag on the domestic treasury. If you want to enjoy actual every-winter dividends, tear out your old glutinous coal-eater, with its uneven heat and hard-to-satisfy appetite for fuel. Put in a

PECK-WILLIAMSON UNDERFEED FURNACE OR BOILER

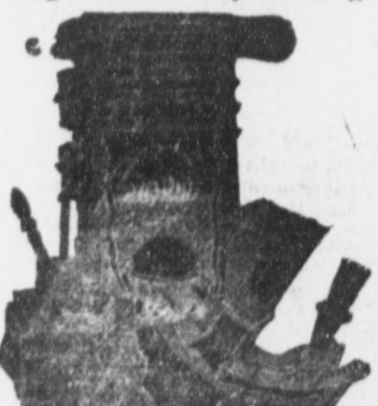

Choose the system you like best—warm air, steam or hot water. Cheap, easy slack in the Underfeed yields as much clean, even heat as most expensive grades; which ordinary heating plants require. All the fire is on top and has to eat down into the fresh coal against the draft. Combustion is slow and perfect, and smoke, soot and gases are entirely eliminated. This enables Underfeed furnace and boiler users to

SAVE 1/2 TO 3/4 OF COAL BILLS.

This saving represents a 20% dividend on the investment for this modern system of heating. Figure it out. It won't take long to get your money back. The Underfeed adds to the selling or renting value of any building.

Write today for free booklets on Underfeed Warm Air, Steam and Hot Water Heating Systems. Our representative will be glad to call any time and make you a detailed proposition.
